We Want to Show You How to Save Money

This Is the Way: Save Trading Stamps

There's not the least doubt of it that the most important question before the people of these United States at the time this advertisement is printed is

How to Reduce the High Cost of Living

The purpose of this notice is to show you, no matter who you are, no matter how big, how moderate or how small your income, how to save money.

Consider your daily expenses—you have to clothe yourself, your wife and your children. You must eat and drink—you need a certain amount of the necessities of life, not necessarily luxuries, but those things that make life worth living, not only for yourself, but for those near and dear to you.

You have to buy these articles somewhere. Why not buy them at a store where not only do you receive "BETTER GOODS FOR THE SAME MONEY, OR THE SAME GOODS FOR LESS MONEY THAN ELSEWHERE," BUT TRADING STAMPS AS WELL?

Particularly interesting are our offerings of Trading Stamps at this season of the year. If you concentrate your purchases here you are enabled without cost to yourself to secure a wealth of gifts for Christmas presentation.

Trading Stamps are no untried experiment here—we have been distributing them for years, and

In the Past Ten Years We Have
Actually Distributed More Than
\$2,500,000

To Our Patrons Through This Medium

This has proven a wonderful source of saving, and a perfect means of economy to thousands of our customers.

Filled Books of Sperry Gold Stamps are redeemable for \$2.50 in merchandise or for \$2 in cash.

Investigate the merits of our Trading Stamp system. Give us the chance to demonstrate how the Sperry Gold Trading Stamp is the surest and safest means of economy. For Full Particulars, Please Inquire at Information Desk on Main Floor.

"It's Quite an Accommodation"

remarked a shopper as she stepped off the 4th Avenue "L" at 18th Street, and stepped right into the Greenhut store without experiencing the slightest discomfort by reason of the inclement weather. She might have added that The Big Store is easily reached from the Subway and Surface Cars on the east side by means of our Free Buses. And people who travel from New Jersey can use the Hudson Tubes, which deliver passengers right into the basement of the Store.
